Quartet Coming. One of the first American critics of the Pionazey quartet was Paul...

Since then the recognition accorded this remarkable quartet has extended from one end of the country to the other.

In a recent issue of the Boston Herald, Mr. Hale again said: "It is not necessary to praise at length. It is enough to say that in addition to a perfect ensemble in attack, possessing exquisite sense of proportion and common relationship, the performances of the quartet are distinguished by unusual tonal beauty, infinite variety of nuances, admirable rhythm, fire and passion."

The quartet was founded in 1905 by E. J. de Copper, and named after his Swiss villa, "Pionazey," on Lake Geneva. The fame of its sojourns given there soon spread, and a series of tours through Holland, Germany and France made its European reputation secure. In this country, its tours, under London Charlton's management, have been made with phenomenal success.

This quartet will be at the Masonic auditorium under the auspices of the Marcato Music Club the night of October 21.

BUCKHANNON

(SPECIAL CORRESPONDENCE)

BUCKHANNON, Nov. 14.—The regular session of the county court convened here Monday, but owing to the unfavorable weather conditions adjourned Thursday afternoon until the next regular session, there being but little pressing business on hand.

It is thought that the Baltimore and Ohio Railroad Company will make some improvements here in the near future. This company is very fortunate in having a man in charge of their business here who is so thoroughly capable and alive to the needs of the public and the company as well.

H. Roy Waugh, district attorney, was called home from Philippi where he was attending court, Thursday on account of the illness of his wife, who is reported to be some better at this time.

RECEIVED CLAIM.

A neat sum of money was paid Mrs. da Dale, wife of John Dale, and Mother Dale for the claim of their son, John, who died a few days ago. This was paid by the Metropolitan Life Insurance Co., which was very prompt. Mrs. Dale and mother wish to thank the many friends for their kindness during the sickness and death of their son, John.—Advertisement.

GOOD REASONS.

I wish to call the attention of friends and patrons to the fact that do not have a substitute. I do not employ nor send out a man. I am the artist here in this studio. I personally select all of my business and make all of my fittings, in the studio or on the street. I also desire to thank those customers who have so liberally and kindly recommended my work to their friends. Practically every one, especially those who buy high class suits, remark that they are the best they have ever had taken. I understand how to make them good and always please not only the customer but those who are fortunate enough to receive one of them as gifts. This is the very reason why you should have your photos made at the "Our Way" Studio by MRS. M. E. RARICK.

The West Virginia and Kentucky championship football game will be played here Saturday, and if the weather is favorable it is thought there will be a record breaking crowd present. Too much praise can not be said of the Buckhannon team, who has met and overcome many adverse conditions at great discomfort and personal loss to reach the enviable position they have made for themselves as the fighting eleven.
